Hydrotech

Electric Drives and Controls

Servo Motors and Drives • VFDs • PLCs • Motion and CNC Controls • Touch Panels • Frequency Converters • IO • HMIs • Operator Terminals

Inductive Proximity Sensors • Photo-Electric and Non-Contact Sensors • Cables • Distribution Boxes • Field Connectors

AC motors • PMAC Motors • Servo Motors, VFDs • Servo • Sensorless Vector Drives

Proximity Sensors • Solenoid Valve Connectors • Cables • Cord Sets • Field Connectors • Timers & Electronics

Industrial AC Drives 1/8 - 2250 HP • General Purpose AC Drives • Economical Micro Drives

Integrated Servo Drive Systems • Programmable Electro-Mechanical Cylinders • Programmable Linear Slides

Cable Chains

General Purpose Micro Inverters (1/8 - 5 HP) • Compact Inverters (1/8 - 20 HP) • Variable Torque Inverters for Fans & Pumps (1 - 900 HP) • Multi-Functional Inverters (1 - 1000 HP)

Encoders • Electronics • Drives & Controls

Linear Motion

Profiled Guide Rails & Bearing • Linear Bushings & Shafting • Linear Systems • Actuators • Aluminum Framing, Guarding & Workstations • Chain & Roller Type Conveyors • Linear Belt Drive Systems & Actuators

Robotics

Collaborative Robotics

Profiled Guide Rail Clamping and Braking Elements • Round Shaft Clamping & Braking Elements • Damping Technology (i.e., Industrial Shock Absorbers)

Conveyors • Framing

Headquarters
10052 Commerce Park Drive, Cincinnati, OH 45246

Cleveland
135 East Ascot Lane, Cuyahoga Falls, OH 44223

AUTOMATION

Hydrotech

Power Transmissions

Precision Rolled Ball Screw Assemblies • Planetary Roller Screw Assemblies • Electro-Mechanical Cylinders

Elastomer & Bellows Couplings • Torque Limiting & Safety Couplings • Stainless Steel & Line Shaft Couplings

Linear Systems • Servo Gearboxes • Linear Actuators

Rack & Pinion Drive Components • Servo Worm Gear Reducers • Jack Screw Systems

Industrial AC Drives 1/2 - 2250 HP • General Purpose AC Drives • Economical Micro Drives

Lifigo — High Performance Gear Rack Drives • Lean SI — Mid-Range Performance Gear Rack Drives • Leantranspo — Integrated Multi-Axis System Solutions

Worm Gear Reducers • Helical Gear Reducers • Precision Planetary Gear Reducers • Couplings

Pneumatics

Rod Type & Rodless Cylinders • Direction Control & Valve Manifold Systems • Air Preparation & Fittings

Solenoid Valves • Process Control Valves • Pneumatic Control Valves • Actuators

Clamping/Braking Elements • Grippers • Robotics • Handling Components • Damping • Vacuum Components • Sensors & Holders • Separators • Swivel/Rotary Modules

Solenoid Valves • Air Accessories
